### Biography:

Born and raised in Sansepolcro, Tuscany, Anna Del Bolgia graduated from Alma Mater Studiorum University of Bologna in languages, markets and culture of Asia in 2013, during which she had the opportunity to study in Ireland for a year. Afterwards, she received a Double Master Degree in International and European Business in 2015, jointly designed by Ca' Foscari University of Venice and Strasbourg Business School. After graduation, as Anna is an avid traveler and has the wish to combine her passion for travel with her entrepreneurial and cross-cultural skills, she launched her career in Shanghai. Previously served as an intern and further as a business development manager for Absolute Internship, from October 2016, Anna is part of O.S. China team, a member of Giunti O.S. International group and a provider of effective solutions for HR management.
