Salvini	Historic Mansion	Florence, Tuscany, Italy	Historical residence of the noble Naldini Del Riccio family, built in the sixteenth century. The villa is in perfect conditions and has a large park surrounded by secular trees and with three lovely driveways, one of which leads directly to the closer church of San Bartolommeo in Palazzolo. The villa's architecture refers to Florentine 15th century style as well as the beautiful front of Santo Spirito Church. Inside: the beautiful Ballroom completely restored maintaining same age architecture and frescoes. In addition, two adjacent rooms also decorated as the original, which can accommodate to a maximum of 170 people. The property is approx 2500 sqm with 70000mq of land divided between vineyards and olive trees. Outside, the villa has a large parking lot.
