## ABOUT ME

More than 18 years working for the Integrated Supply Chain Management as Business Development and Sales Reps in Europe, Great China, Taiwan, and Japan with 3PLs worldwide players; managing a portfolio of multinational accounts in Automotive, Industrial and Factory Logistics sectors.

Founder in 2018 of the LWG of the CCIC I coordinate the working group activities and promote the logistics culture among the CCIC members. During the Pandemic outbreak of 2020, I coordinated and contributed to the publication of the paper for the export and import of PPE " Linee Guida Generali per esportazione dalla Cina ed importazione in Italia di DPI & DM" for the CCIC members.

## ABOUT JAS

JAS Hong Kong, incorporated in 1980, is one of the top market leaders in Italy - Far East Air and Ocean freight forwarding business. The network was soon expanded to China with its headquarters in Shanghai.

Today, JAS's strategic presence in the major cities of China includes 18 self-owned offices to cope with the ever-increasing needs for logistics services. The organization has over 710+ specialized staff and offers consolidation and logistics warehousing services in 28 locations across mainland China.
