

The Second Chinese Renewable Energy Conference & Solar Power Exhibition

INVITATION

June 2010

Dear Sir or Madam:

The Second Chinese Renewable Energy Conference & Solar Power Exhibition will be held on September 17-19 in Wuxi, the National Renewable Energy Innovation Base. This event is sponsored by China Council for the Promotion of International Trade, Department of Commerce of Jiangsu Province and Wuxi Municipal People's Government, and co-organized by CCPIT Wuxi Branch, Wuxi Bureau of Commerce, Suntech Power Holdings and Uni-Group. With *Game · Innovation · Responsibility* as its theme, the organizing committee will invite officials, top-notch professionals, experts and managers from governments, enterprises, investment institutions, financial institutions, research and consulting organizations as well as mainstream media both in China and abroad who engage in renewable energy industry to extend in-depth exchanges and dialogues which focus on the way on developing renewable energy and low carbon economy so that China's economy will grow healthily and more rapidly.

The Second Chinese Renewable Energy Conference & Solar Power Exhibition includes the following activities: Main Forum, CEO Forum on Renewable Energy Industry, Forum on Policy and Market of Renewable Energy Industry, Forum on Technical Innovation of Renewable Energy Industry, Forum on Investment and Financing of Renewable Energy Industry, Award Ceremony of 2010 Top 10 Chinese Renewable Energy Pioneers & Top 30 Chinese Renewable Energy Enterprises as well as Press Conference of 2010-2011 Global and Chinese Renewable Energy Industry Development Report.

It's our great honour to invite you to attend the event to share your wisdom with over 3000 overseas and local elites. Through the broadcasting by more than 40 mainstream media at home and abroad, the public and capital market investors will understand the development of China's renewable energy industry and show their concern and support.

We sincerely look forward to your attendance!

Chairman
China Council for the Promotion of International Trade
