

October 22nd – 24th, 2013
Xi'an City, Shaanxi Province, China

AERO ELECTROMECHANICS CHINA 2013

All-Electric Aircraft Development,
the Driver of Future Innovation

*The Most Influential Stellar Gathering of
Electro-mechanics Industry including,*

- Hydraulic and Fuel System
- Electric and Power System
- Air Management and Emergency Rescue System

Organizing Committee Leaders

Jian WANG
President, AVIC EM

Mr. Jian WANG used to work in AVIC JINCHENG, occupying important positions including President, Deputy General Manager, Vice President, General Manager, respectively.

Kaisheng LI
Vice President, AVIC EM

Responsible for Power System of C919, he excellently completed the negotiation task with Hamilton Sundstrand for the joint venture company, Civil Aircraft Power System Industry.

WHY Aero Electromechanics China 2013?

- 1 Keep abreast of the first-hand insights based on the in-depth analysis on aerospace electro-mechanics industry from the **voice of the government authorities**
- 2 Dissect the industry development trend by learning from the current technology status of certain **key systematic modules for C919 project**
- 3 Tap into the new market created by the booming demand of the **newly established Joint Venture Projects**
- 4 Leverage your expertise to **meet the technology requirements** of China civil aerospace projects
- 5 Cultivate strategic partnership with the local companies to **lower the market access barriers** to the local civil aerospace projects
- 6 Yield maximum return with minimum investment by attending **customized business match-making formats**
- 7 Mingle with the discussions among the **industry premier speakers** from the government bureau, aircraft OEMs and aerospace electromechanical system providers
- 8 Be at the **center of the influence** who are in charge of international cooperation and procurement in the opening-up local aerospace companies

Exclusive ONE-TO-ONE Business Meetings

CANCELLATION AND SUBSTITUTIONS

- If you are unable to attend, a substitute delegate is always welcome at no extra charge. Alternatively, your registration can be credited to a future conference. If for reasons beyond your control you are not able to attend (more than 45 days before the conference and there is no alternative Galleon event you wish to attend), we will refund the fee. Please confirm your cancellation in writing. Cancellations made within 45 days will result in loss of half the fee.
- Cancellation within 30 days of the course will result in loss of the full fee. Failure to attend a course with no prior notice will also result in loss of the fee.
- Occasionally it is necessary for reasons beyond our control to alter the contents and timing of the program or the identity of the speakers. If a conference has to be cancelled at the last moment for reasons outside the control of Galleon, we will refund your fee in total, but cannot be held liable for any other expenses incurred by participants or their companies due to the cancellation.
