TASTE & BUY

Workshop meetings between exhibitors and international buyers: importers, distributors and restaurateurs selected by Veronafiere delegates all over the world. Vinitaly brings supply and demand together by matching the needs of companies with the purchasing interests of buyers.

TASTE ITALY

A tasting event during the main show which promotes Italian wine production through a preferential point of contact between Italian products and buyers from over 100 countries.

GUIDED TASTINGS, MASTER CLASSES, SYMPOSIUMS, ROUND TABLES

In addition to business, the four days of the exhibition also involve specific focus events dealing with wine culture through guided tastings, master classes, round tables, conferences and seminars presenting product research and analysis, regulations and consumption on the domestic and international markets.
